- 1.7 The Vakaros Race Sense starting/finishing system will be used for this event as set out below. The Vakaros system will form the primary source for line calls. Operational details will be set out in the Sailing Instructions.
- 1.7.1 Each boat shall be equipped with a working Vakaros Atlas 2. Details (serial no., software version etc.) of each boat's Atlas 2 unit shall be provided to the OA.
- 1.7.2 Each boat's Atlas 2 must be installed on the aft face of the mast below the boom and must also have the latest software version installed.
- 1.7.3 The entrant is solely responsible for ensuring that their Atlas 2 is functioning properly for the duration of the event and details are registered correctly in advance of the event. Failure to do this may mean that no result is given to that competitor for the event or individual races.
- 1.7.4 A set of instructions about the use of the electronic device may be posted on the Official Notice Board.

**9. EQUIPMENT INSPECTION**

**Add to 9.1**

'Boats may also be subject to scrutineering/measurement prior to the event during preparation for launching at the Royal Southern Yacht Club.'
